Frontend Engineer | Creative Technologist | Community Champion

NG

[GitHub](#) | [LinkedIn](#) | [X](#) **About**

Creative and results-driven Frontend Engineer with 2+ years of experience building responsive, interactive, and scalable web applications using React.js, TypeScript, and Firebase. Proven ability to enhance user experience and streamline development processes, contributing to impactful projects and collaborative team environments. A published author and community champion, blending technical expertise with strong communication, leadership, and problem-solving skills to drive innovation and engagement.

Work Experience

Frontend Engineering Intern & Learner Mentor
iQubeLabs / iQube.ox Tech Community

Oct 2025 – Present
Remote Lagos, Nigeria

[\(https://www.iqubesolutions.com.ng/\)](https://www.iqubesolutions.com.ng/)

- Serve as a Frontend Engineering Intern at iQubeLabs and a Learner Mentor within the iQube.ox tech community.
- Lead the frontend development of the OX LMS, translating product designs into responsive, production-ready user interfaces.
- Act as the primary frontend engineer on the project, ensuring high standards in design accuracy, usability, and performance.
- Collaborate closely with product designers and cross-functional teams to deliver seamless and user-focused experiences.
- Provide frontend development support across additional projects within iQubeLabs.

Currently expanding expertise in Backend Engineering under the mentorship of the lead engineer

Frontend Engineer & Media Team Member

Jan 2025 - Present

85gifts (<https://85gifts.com>)

Remote, N/A, Nigeria

Currently serving as a Frontend Engineer and Media Team Member at 85gifts, where I develop and maintain user-facing features and contribute to content strategy.

- Engineered and maintained core features for 85gifts.com, enhancing user interaction and platform functionality. Developed
- and optimised responsive user interfaces using React.js, Tailwind CSS, and Firebase, ensuring high performance and scalability.
- Collaborated cross-functionally with media and content teams to align technical solutions with strategic communication goals and improve content delivery.

Frontend Engineer

Sep 2023 - Present

Projects (<https://my-portfolio-gamma-topaz-11.vercel.app/>)

N/A, N/A, Nigeria

Led independent frontend engineering projects, including the design and development of a full-stack blogging platform, demonstrating end-to-end project ownership and technical proficiency.

- Designed and developed the Chatter blogging platform, integrating Firebase for robust user authentication and real-time analytics. - Created a modular library of reusable UI components (e.g., Avatar, ProfileCard) to streamline development and ensure consistent user experience. - Implemented critical features such as profile updates and media uploads, enhancing platform interactivity and user engagement.	
Data Analyst Intern	May 2023 - Aug 2023
Jovation	Benin, Edo state, Nigeria
Contributed to data analysis and operational efficiency as a Data Analyst Intern, focusing on data integrity, reporting, and process automation.	
- Supported data-driven insights by performing accurate data entry, generating reports, and automating routine tasks, improving data processing efficiency. - Assisted in software testing and developed comprehensive technical documentation, ensuring system reliability and user understanding.	
Admin Officer	Feb 2022 - Feb 2023
NYSC Service	Osogbo, Osun, Nigeria
Managed critical administrative processes and documentation during national service, ensuring efficient operations and compliance.	
Streamlined administrative processes and managed comprehensive documentation, contributing to efficient office operations and record-keeping.	
Hospitality & Retail Roles	May 2014 - Jan 2022
Various Companies	Warri, Delta State, Nigeria
Provided exceptional customer service and drove sales performance in various hospitality and retail environments, cultivating strong client relationships.	
Consistently delivered excellent customer service, resolving customer inquiries and enhancing satisfaction, which contributed to positive sales outcomes and customer retention.
